## To Sanction Benefit

Tendered by the North End Athletic Club.

## Simms Says He Was Not Fairly Treated.

## "Dinky" Dunkhorst Gets Decision—Local Sporting News.

Art Simms denies that the North End Athletic club is to tender him any benefit.

He goes further than that and says he will not appear at any such affair. Simms has a grievance against the club. He called at the Democrat office Friday and made the following statement:

"I wish to say to my friends that the North End Athletic club has no authority from me to arrange any benefit in my behalf. The people of Akron do not owe me anything and I am not asking anything from them. Had the North End Athletic club cared to do something for me it had the chance after my go with White in this city. The club's profit on that event was

\$348. I went in the hole, for training and other expenses incidental to my preparation for the go, \$47 more than my share of the purse. I went to the club and told them how matters stood. The members could have helped me then if they had wanted to. This the club would not do. I now refuse to accept any benefit at their hands."

Simms has heard nothing more from Lou Housman in reference to a go with Young Kenney at Chicago. If he succeeds in making the match he will undoubtedly remain in that city for some time. He has assurances that he can get plenty of goes there with men in his class.

Simms is in receipt of a letter from Tommy White in which he says: "If you care to come on here and fight, I feel sure I can get you on at some of the big shows. There is a chance for you at Tattersalls, March 17. The contests are all of six rounds and the purses are good sized. I will attend to this matter at once and as a person recommended by me is given consideration I don't think there will be any trouble in getting you a match. I would like to see you get started here as you are able to beat a lot of fellows here."

White has taken a great interest in Simms ever since their go in this city. As he is to retire from the ring it is believed that he will come out as manager. Knowing Simms' ability, he has probably thought of bringing him out.

THREE ROUND BOUTS.

A smoker was given by the South End Athletic club last night. Ed. Bachtel acted as master of ceremonies. He announced that there would be no decisions given in any of the boxing contests. Art Simms, sparring three friendly rounds with his training partner, Chas. Green, and three rounds with Will Stevens. The other bouts were interesting and in some cases matters were mixed up very well.

All the bouts were of three rounds

duration. They follow: John Leonard and Percy Steinmetz, W. A. Fenton and Bert Fallo, Reddy Phelps and Jack Palmer, B. Fenton and Dave Shanks, C. Kernan and J. Mc Feeley, J. Starks and C. Nicholas.

The last number on the program was an interesting match between W. Dewitt and Ed. Kepler. Kepler won in two straight falls. The remainder of the evening was passed in smoking and pugilistic chat.

## WILL BE HERE.

Dr. R. B. Carter, captain of the Kirkwood bowlers, has received the following letter from W. V. Thompson, manager of the All Stars:

"The All Stars team will be at your club Friday, March 9, prepared to play games as scheduled."

DUNKHORST RUSHED.

In the fight before the Still City Athletic club of Peoria, Ill. last night, Ed Dunkhorst of Cleveland, defeated Jack Hogan, of Lima, O., in the sixth round of what was to have been a fifteen round battle. The two men weighed in at 240 and 200 pounds, respectively, but Hogan was clearly not a match for the heavier man. Dunkhorst rushed the fighting all the time and his man going from the third round until the seconds threw up the sponge at the end of the sixth. Dunkhorst used his left uppercut to good advantage, and it was that style blow that inflicted so much punishment on Hogan in the sixth. The Ohio man was game, however, and ready to stand for a good deal of it. The crowd was the biggest that ever watched a fight in Peoria, the Auditorium theater proving far too small for the thousands that wanted to watch the mill.

MAHER IS READY.

Matchmaker Kemp, of the Youngstown Athletic club, has received a message from Peter Maher, who is training at Morris Park, that he would arrive here next Wednesday and would be ready to meet "Stockings" Conroy in the ring Friday, March 9.

## DECIDE YOURSELF.

## The Opportunity Is Here, Backed By Akron Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Akron endorsement.

Read the statements of Akron citizens. And decide for yourself. Here is one case of it.

Mrs. George Dunn of 131 Carroll st., says: "What I told the people of Akron through our newspapers in the spring of 1896 about Doan's Kidney Pills was absolutely true. During the time which has elapsed I have on the slightest symptom of a recurrence appealed to Doan's Kidney Pills by taking a dose or two, and that appeal has never been in vain. I can still conscientiously recommend them to sufferers from kidney complaint as I did when I first procured them at Lamporter & Co's drug store, took a course of treatment and they cured that particular attack."

In a 20-round contest to a decision. Each of the principals have a \$100 forfeit in the hands of the matchmaker. Conroy will arrive there next Wednesday.

CHOYNSKI COMES BACK.

Joe Choynski and Tom O'Rourke are having a long inning at trying to tell inside history about each other. O'Rourke's latest is that Choynski offered to throw a match to Gus Rublin for \$250, and the New York promoter says he refused to stand for such a steal. Choynski comes back with the assertion that his hands was poisoned a short time before he was to meet Rublin, and he so notified O'Rourke. The offer to "fake," Choynski says, is one of O'Rourke's dreams.

## TROPHY WENT TO PEERLESS TEAM.

The Howard st. bowling alley was crowded Friday night with enthusiastic bowlers, to witness the finish in the Howard st. Bowling League tournament. The contest was between the Peerless and Eureka teams with the former club 174 pins to the good at the outset. The Eureka's put up a strong game and cut down their opponents' lead by 36 pins. This gave the tournament and the handsome silver trophy, to the Peerless team with a margin of 138 pins. By the rules governing the contest the second and third teams can challenge the winners within two weeks. By this provision the Eureka and Crown teams are entitled to this honor, and another short series will be played. Each team in the tournament bowled six games and the final standing follows:

Total Average Pins. Per Game.

What to Do Until the Doctor Arrives.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairymaid called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by all druggists. E. Steinbacher & Co., wholesale agents.
